Cubeluxe – Versatile, Durable Washroom Solutions for Every Setting

The Cubeluxe line offers a comprehensive range of washroom paneling solutions, meticulously designed to meet the needs of diverse environments. Available in various configurations, Cubeluxe allows you to select the most suitable option based on specific site requirements, environmental conditions, and budget considerations.

Whether for wet or dry environments, Cubeluxe panels provide high performance, durability, and elegance, catering to the diverse demands of today's washroom settings with tailored solutions that uphold both quality and style.

Panels and Doors

Materials: Available in a range of colors and finishes to suit various design requirements and environmental settings.

Construction: Panels are built for durability and aesthetic appeal, offering a solution for both wet and dry applications.

Cubicle Hardware

Finish: Stainless Steel (SS) with a Natural Matt finish.

Edge Options: Additional options for matching or contrasting PVC lipping, designed to enhance visual appeal and durability.

Headrail

Material and Finish: Made from light grey anodized aluminum.

Design: Sturdy and modern, the headrail provides stability and support, integrating seamlessly with cubicle aesthetics.

Hinges

Type: Universal SS safety hinge.

Design: Specifically engineered for safety and durability, allowing for smooth operation in high-traffic areas.

Wall Fixing

Type: Universal U-channels for wall mounting.

Material and Finish: Anodized aluminum for long-lasting strength and a refined look.

Functionality: Designed to simplify on-site installation, accommodating uneven walls to ensure a stable, professional finish.

Indicator Bolt

Features: Concealed fixings for a clean and minimalist appearance.

Functionality: Indicator bolt with keep, providing privacy and security with a discreet design.

Pedestal

Height Options: Available in 4-inch or 6-inch configurations.

Fixings: Concealed fixings for a sleek and modern appearance.

Accessories Optional Add-Ons:

Coat Hooks and Toilet Roll Holders – Matching the cubicle finish for a cohesive look.

Grab Bars and Door Handles – Available for enhanced accessibility and convenience.
